Joe:

I have attached an exhibit for the proposed Walnut Grove High School Sidewalk Improvements project. The project would include minor grading, approximately 1,480 feet of new 5' wide concrete sidewalk, new 8' wide crosswalks at both school entrances, cleanup and grassing.

I consulted with Peachstate Construction, and anticipated project costs would likely be **\$75,000** based on current market conditions.

Please let me know if you need any additional information.

Jimmy Parker, PE

DESCRIPTION

+

This product is for two sides of the street facing only one way.

The Solar Horizontal Rapid Flashing Beacon System with Push Button Activation is ideal for alerting traffic of upcoming pedestrian crosswalks and other crossing locations. The flashing LED beacons turn on at the push of a button and then turn off after 60 seconds of inactivity. Featuring rectangular rapid flashing beacons (RRFB), this system helps increase driver awareness so they can recognize the need to yield to pedestrians. Each beacon system includes rechargeable batteries and mountable solar panels that make this product energy efficient and easy to use in locations that receive sunlight.

Product Specifications:

TYPE: Horizontal Rapid Flashing Beacon System with Push Button Activation

PRODUCT CODE: CCRS004-RFB-P

SOLAR CHARGING PANEL: 20W, 18V Monocrystalline silicone

BATTERY: Lithium battery 12V/8800AH

FLASH PATTERN: WWS (Wig-Wag Steady)

WORKING TIME: Flashing lights Stop 60 seconds after button is pushed

WORKING MODE: Push Button Activation

Radio communication between signs

BATTERY LIFE: 3-5 Years

WORKING TIME: Up to 12 hours when fully charged

DIMENSIONS:

- **Push Button:** 4.5" W x 8.5" H x 2.25" L
- **Solar Panel:** 9.75" W x 14" H x 0.75" L
- **RFB:** 17.5" W x 2.5" H x 2.75" L

WARRANTY: 2 Year Full Warranty

STANDARD HARDWARE: FITS 3" to 4" DIAMETER POSTS

Product Includes:

- RAPID FLASHING BEACON (QTY 2)
- CONTROL BOXES (QTY 2)
- SOLAR PANELS (QTY 2)
- PUSH BUTTONS (QTY 2)
- MOUNTING HARDWARE

NOTES:

- ***DOES NOT INCLUDE POLE OR SIGN***
- ***IF ARROW SIGNS ARE PURCHASED, IT WILL INCLUDE TWO LEFT ARROWS, ONE FOR EACH SIDE OF THE STREET***
- ***IF SIGNS ARE PURCHASED, IT DOES NOT INCLUDE SIGN HARDWARE***

RECTANGULAR RAPID FLASHING BEACON FAQ's

Q: Are there other beacon color options besides amber?

A: Yes, amber or red beacons are available.

Q: What is the difference between EGR and FYG?

A: Engineer Grade (EGR) sheeting comes standard on the sign and uses glass beads or prismatic optical technology to reflect light. The Engineer Grade sheeting we offer will be a standard yellow color. The Diamond Grade sheeting option offers superior reflectivity for short and long distances and will come in a Fluorescent Yellow Green (FYG) sheeting.

Q: Does your Solar Horizontal Rapid Flashing Beacon System activate both rapid flashing beacons with the push of one button?

A: Yes, as long as the two RFBs and their boxes are within 60 feet of each other the beacons communicate via radio frequency so that both beacons are activated by either push button.

Q: Does the rapid flashing beacon system come with posts?

A: No, the RFB system and pricing does not include posts. However, we do offer various pole options.

Q: Would any pole work with this beacon system?

A: These can mount to any signpost but come with hardware to mount to standard traffic posts (u-channel, Telespar or round straight). Please see our installation manual for instructions.

Q: Do you offer an AC powered horizontal rapid flashing beacon system with push button activation?

A: Yes! We do offer an AC powered RFB system in addition to our solar powered RFB system.

Q: How long do the beacons flash once the button is pushed?

A: The beacons will flash 60 seconds from the time of activation.

Q: How long will they last on a full charge?

A: The beacons will last up to 12 hours on a full charge.

Q: Are the W11-2 pedestrian crosswalk and W16-7P arrow signs included in the price of the RRFB system?

A: No, they are an additional cost, but we do offer sign size and color sheeting options that are required to complete a crosswalk system.

Q: Are the RRFBs always used in conjunction with crosswalk signs?

A: In general, RFBs are accompanied by crosswalk markings and signs as they are used to indicate that pedestrians may begin crossing the roadway.

Q: Do you offer a push button system with rapid flashing beacons on both sides of the pole?

A: Yes, we offer both a single-sided RFB system as well as a back-to-back RFB system which includes RFBs for both sides of the pole.

Q: Are your signs MUTCD compliant?

A: Yes, we make and offer signs from our in-house print shop, and they are made to MUTCD standards.

Q: Is the RRFB system available with an audio warning as well?

A: The RRFB system is not available with an audio warning currently, but we are working on finalizing this option.

Q: Can this work with a flashing sign?

A: Yes, this beacon system can work with a flashing sign but will require a custom setup and there will require a lead time.

REQUEST FOR QUOTES
CITY OF WALNUT GROVE
EMERALD COVE GUTTER PAVING

March 2023

Sealed quotes will be received by the City of Walnut Grove for furnishing all materials, labor, tools, equipment, and any other miscellaneous items necessary for the Emerald Cove Gutter Paving project.

Quotes should be submitted to Walnut Grove City Clerk no later than 2:00 P.M. on Thursday, March 30, 2023. Quotes shall be hand delivered or mailed to 2581 Leone Avenue, Loganville, GA, 30052. Any quotes received after said time and date will not be considered by the City of Walnut Grove. Quotes will be publicly opened and read aloud at this time and location. All quotes will be evaluated by the City of Walnut Grove and the project will be awarded, if it is awarded, within 45 days of the quote opening.

Copies of documents can be obtained by requesting them by email to cityclerk@cityofwalnutgrove.com.

Questions regarding this request for quotes should be emailed directly to Natalie Pifer, Precision Planning, Inc. at 861np@ppi.us no later than 2:00 P.M. Thursday, March 23, 2023.

The successful contractor must provide proof of workers compensation and liability insurance with the City of Walnut Grove named as additional insured. The City of Walnut Grove reserves the right to waive any informalities or to reject any or all quotes, and to accept any Quote which in its opinion may be in the best interest of the City.

A Contractor Affidavit verifying compliance with the Federal Work Authorization Program known as E-Verify must be submitted with each quote. This form must be notarized.

CONTRACTORS and SUBCONTRACTORS will be required to comply with all Federal, State, and local laws.

Mark Moore, Mayor
City of Walnut Grove, Georgia

REQUEST FOR QUOTES

Project Description: The project involves the placement of fine grade asphalt cement with the gutter line of Emerald Drive and Crystal Court in the City of Walnut Grove, Georgia; to smooth out the transition from the edge of pavement to the curb line and residential driveway entrances (18" wide x 10,700 LF). The Contractor shall provide all labor, equipment, materials and any other miscellaneous items necessary to complete the project in accordance with the Scope of Work and Exhibit 1.

Scope of Work

1. **Traffic Control:** The Contractor shall be responsible for all traffic control activities required during the performance of the Work. The Contractor shall submit a work sequence schedule to the City of Walnut Grove for review and approval no less than two weeks prior to beginning construction. Contractor shall provide all necessary traffic control devices, signage, and barricades as required by MUTCD standards. **No full closure of Emerald Drive will be permitted.**

The City prefers that any partial closure of Emerald Drive be limited to one lane closure, and the work conducted on weekdays from 8 am-5 pm, if possible. The road is the only means of ingress/egress for more than 50 residences in the Emerald Cove Subdivision.

2. The Contractor shall coordinate with local utility agencies to ensure protection of all utilities in the project area.
3. The Contractor shall provide continuous cleanup and restore the site to acceptable conditions at the end of each work day.
4. Contractor shall thoroughly clean the existing gutter line of sand, silt or debris using a mechanical broom and/or vacuum unit to ensure proper asphalt adhesion.
5. Contractor shall carefully apply tack coat along the gutter line, edge of pavement, and face of drive way aprons prior to asphalt placement. Contractor shall remove any tack errantly applied to the surface of any residential driveways.
6. The placement of asphalt shall be conducted to aesthetically blend and taper the transition from the existing edge of pavement to the curb line and/or residential driveway apron. The project will require careful hand work and special compaction equipment. The use of a fine grade asphalt is recommended.
7. Contractor shall schedule and conduct the work in a manner to insure that asphalt remains at higher temperature to allow sufficient time to hand work and compact the gutter fill in a manner that provides a visually appealing finished product.

Project Management/Inspections: Project management and inspection will be provided by the City of Walnut Grove and/or Precision Planning, Inc.

Schedule: The City and successful Contractor shall negotiate a start date that allows for proper temperature for specialty asphalt placement. Once work is initiated, the project shall be complete in 14 days.

Safety: Contractor shall be responsible for jobsite safety, and the safety of the traveling and general public within the work zone.

Access: Contractor shall be responsible for coordinating access to private property during the execution of the work.

Measurement and Payment

Emerald Cove Subdivision Gutter Paving: The basis of payment for this item shall be per ton of asphalt placed and compacted; including traffic control, surface prep, tack coat, asphalt placement and compaction, cleanup, and all other items incidental to the successful completion of the project.

No separate measurement or payment will be made for site preparation, coordination with property owners, protection of existing utilities and site restoration. Payment for these items shall be included in the unit price quote per ton.

CONTRACTOR AFFIDAVIT UNDER O.C.G.A. § 13-10-91(b)(1)

By executing this affidavit, the undersigned contractor verifies its compliance with O.C.G.A. § 13-10-91, stating affirmatively that the individual, firm or corporation which is engaged in the physical performance of services on behalf of the City of Walnut Grove, Georgia has registered with, is authorized to use and uses the federal work authorization program commonly known as E-Verify, or any subsequent replacement program, in accordance with the applicable provisions and deadlines established in O.C.G.A. § 13-10-91. Furthermore, the undersigned contractor will continue to use the federal work authorization program throughout the contract period and the undersigned contractor will contract for the physical performance of services in satisfaction of such contract only with subcontractors who present an affidavit to the contractor with the information required by O.C.G.A. § 13-10-91(b). The undersigned contractor further agrees to maintain records of such compliance and to provide a copy of each such verification to the City of Walnut Grove, Georgia at the time the subcontractor(s) is retained to perform such service. Contractor hereby attests that its federal work authorization user identification number and date of authorization are as follows:

ORDINANCE NO. 2023-_____

A ORDINANCE OF THE CITY OF WALNUT GROVE TO DECLARE THAT PARKING A LARGE TRUCKS OR CAMPERS IN PARKING PLACES FOR LONGER THAN 2 HOURS IN A ZONING CLASSIFICATION THAT DOES NOT SPECIFICALLY AUTHORIZED THE PARKING OF LARGE TRUCKS OR CAMPERS IS ILLEGAL AND WILL RESULT IN A CITATION FOR VIOLATION OF THIS ORDINANCE; TO PROVIDE FOR SEVERABILITY; TO REPEAL CONFLICTING ORDINANCES; TO PROVIDE AN EFFECTIVE DATE; AND FOR OTHER PURPOSES.

WHEREAS, the governing authority of the City of Walnut Grove, Georgia has already established rules for parking in Article XI of the Zoning Ordinance of the City of Walnut Grove, Georgia entitled, “**Off-Street Automobile Parking and Loading and Unloading Spaces**” ; and

WHEREAS, the Mayor and city council desire to amend this Article to change the title to “**Off-Street Automobile, Truck and Camper Parking and Loading and Unloading Spaces.**”; and

WHEREAS, except as modified below, this Article shall remain as stated in the current Zoning Code with the addition of the change in the title and the additional provisions set forth below; and

WHEREAS, the Mayor and Council of the City of Walnut Grove believes it in the best interest of the public to amend its ordinances as set forth herein.

NOW THEREFORE BE IT AND IT IS HEREBY ORDAINED:

Section 1. That the Zoning Ordinance of the City of Walnut Grove, Georgia is hereby amended to change the title to Article XI to read as follows: “**Off-Street Automobile, Truck and Camper Parking and Loading and Unloading Spaces.**”.

Section 2. Truck and Camper Parking

Article XI of the Zoning Ordinance of the City of Walnut Grove is hereby amended to at the following section:

Section 1102. Truck and Camper Parking

No camper or medium to heavy-duty truck, which is defined as a vehicle weighing more than 10,000 pounds, shall park on a street or in a private parking area for more than two (2) hours unless the vehicle is parking in an approved parking space within a zoning classification that allows campers and medium to heavy-duty trucks to park as a permitted use within the zoning classification.

Section 3. The preamble of this Ordinance shall be considered to be and is hereby incorporated by reference as if fully set out herein. It is hereby further ordained and declared that if any phrase, sentence, or paragraph hereof shall be found or declared unconstitutional or invalid by a court of competent jurisdiction, the remaining phrases, sentences and paragraphs hereof shall remain in full force and effect as if enacted without the phrase, sentence, or paragraph declared unconstitutional or invalid.

Section 4. The effective date of this Resolution shall be October ____, 2023.

It is so ordained on this ____ day of October, 2023.
